

Easidose Antibacterial Multi-Surface Cleaner

Description

A super concentrated antibacterial surface cleaner particularly suited to the kitchen environment. It's fragrance-free formulation prevents the tainting of food. Ideal for the cleaning of food preparation areas and areas involved in the processing of meats, cream and other foods that may carry high risk of bacterial contamination. May be used to clean and disinfect most hard surfaces including worktops, salad bars, microwaves, stainless steel surfaces, canopies and chopping boards. Conforms to EN1276 when diluted to 2.7% (20 ml per 750 ml). Also passes the 5929 triangle taint test. Use disinfectants safely. Always read the label and product information before use. With each product in the range you get the incredible cleaning power of our Evolution Concentrates, with the added benefit of being incredibly easy to dispense an accurate, measured dose for dilution. It's tough to know exactly how well a product will perform without trying it before. The beauty of our concentrates means that if the job requires a slightly stronger or weaker solution, we give you the dosage instructions to match.

Directions For Use

Refilling from the Easidose Bottle System: Dose rate 10-20ml per 750ml flask, depending on the degree of soiling. Fill flask to line level with clean fresh cold water from a tap. Remove the cap from the bottle and gently squeeze to fill the built in measuring cup. After measuring, carefully pour the measured dose into the pre-filled flask. Re-attach the trigger spray head and lightly shake mixture to fully dilute. The mixture is now ready to use. Instructions for use: 1. Apply product to a clean cloth or paper towel. 2. Apply to surface to be cleaned. For best results, ensure the surface remains moist for 30 seconds 3. Rinse surface thoroughly with clean water. 4. Allow to air dry or buff to a finish.

Product Codes

ED3/1L, EVOESD-3-RF-6X750

Storage

Store in cool conditions away from direct sources of heat.
Avoid extremes of temperature.
Do not allow to freeze.
Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended.
Use within 6 months of opening.

Environmental

Neat product will cause damage to plant and animal life.
Do not allow neat product enter surface waterways as serious ecological damage may be caused.
In the event of a large spillage, contact the local water authority or Environment Agency immediately.
This product uses recyclable packaging.
It contains no Phosphates.
